General Pricing List

We have such a wide variety of items, that we don't have a price list for each unique piece, but here is some general pricing to give you an idea of costs and help you plan your event. We are happy to discuss any size of event and any size of budget. We will put together a custom quote for you based on exactly what you need! We have a great inventory and we know you will find something you love! All of our rates are based on a 3-day rental period.
